WHAT WE WON

Real Appointment Security

GSWs will have protection from unjust non-reappointment during the time period of a GSW's multi-year funding offer.

Transparent Appointments

GSWs will be entitled to a clear description of their appointment, including responsibilities and weekly hours.

FAQs

Q: This article only covers the initial offer of an appointment.

What if I'm disciplined/discharged during my appointment?

A: While not covered under this article, the TA on Discipline & Discharge provides strong "just cause" protections for GSWs throughout the duration of our appointments. These two articles work together to provide GSWs with real job security.

Q: How will this article be enforced?

A: Through the grievance and arbitration process! GSWs are currently fighting for strong grievance procedures that provide real, timely recourse and allow GSWs to enforce our contract.
